To our families, Friends and the outside community, Please join us in supporting Novato Youth Football & Cheer.

Like most non-profit sport organizations, Novato Youth Football & Cheer has to rely on voluntary charitable contributions.

We rely on these donations made by parents, alumni, grandparents and the community to enable the ongoing growth and development of what we have home come to love and honor with NYFC.

During various times of the year, we create, plan and execute events and programs such as, family fun night, family dine outs, cookie drive and donation envelopes in order to reach this programs overall operating expenses. All which have been successful but with the uncertainty of the economy, this program needs our help more now than ever. With 100% parent participation and with 100% faith and belief, together we can continue to keep this program alive.

The NYFC program requires each participant to meet academic, age, and weight requirements, as well as pay a registration fee each year. This registration fee only covers half the cost of outfitting a participant.

As we gear up for the 2010 Football and Cheerleading season, the belief and philosophy of the parent board of director is to maintain the lowest possible fees so that every youth who has a desire to participate will have that opportunity to do so.

The goal of NYFC is to have 100% family participation, and whether big or small, we ask that each family make a donation that is meaningful to them, knowing that we are grateful for all contributions.

“The children will thank you tomorrow, we thank you today”

2010 Board of Directors, Fundraising committee – Tax Payer ID: 68-0383055
