## Novato Youth Football 2009 Stingers Need Your Support

Dear friends and family,

Our boys have a very significant opportunity to advance to the **American Youth Football National Championships in Orlando, December 5-12**. Our chances are very high as we enter round 3 of the playoffs in a strong first place seed. We are looking forward to making you proud as we work toward winning a national title.

Our success has not been made by one player alone or a streak of luck. We have won our games due to the teamwork the boys exhibit each and every week. Financially, it is a very significant challenge we face sending our 31 boys to Orlando. Times are tough for many and contributions to our league are down. Estimated costs to attend are approximately \$1000.00+ per player.

It's going to take teamwork to send all of our boys to Orlando and we hope we can count on your support. We do not want to have to leave a member of our football family behind due to a lack of funds.

Our timeframe is aggressive and we are sending this letter in advance of actually winning the invitation to Florida. However, we do think it is very possible that we will be going and we will have an extremely small window to raise funds.

We have provided an option for you to make a straight **tax-deductible donation** now or to pledge a donation when we win the championship on November 22.

Please provide your contact details below. We will add you to our Stingers 2009 team updates.
